Bill Clinton's Sun in Leo and Hilary Clinton's Sun in Scorpio:

Both of you are very proud, stubborn, strong-willed individuals and you are attracted to the strength of character that you sense in each other. You face the possibility that your combined inflexibility will make it difficult for the two of you to reach mutually satisfying decisions and both of you tend to stubbornly resist compromising when your preferences are different. A battle of wills is likely to ensue! You can be intensely competitive with each other.

One major difference is that Bill Clinton needs personal recognition, attention, and glory, and Bill Clinton's style tends to be colorful and dashing, while Hilary Clinton is quieter, deeper and darker, more private and even secretive.

Bill Clinton's Moon in Capricorn and Hilary Clinton's Moon in Pisces:

Your temperaments, moods, and emotional responses are very different.

Hilary Clinton is very, very sensitive and responds emotionally and sympathetically to people while Bill Clinton is emotionally detached and often distant or inaccessible. Hilary Clinton tends to be a bleeding heart, while Bill Clinton tends to be somewhat suspicious or hard toward people who are in unfortunate circumstances - Bill Clinton doesn't want to get involved unless they are friends. Bill Clinton also ignores or downplays emotions in general, and has a rather serious, sober, no-nonsense attitude towards life. Hilary Clinton is a bit of a dreamer or drifter and is far less practical, organized, efficient, and ambitious about material matters than Bill Clinton is.

Bill Clinton's Sun Conjunct Hilary Clinton's Saturn:

The two of you often work well together on shared responsibilities and practical matters of importance. However, there is also a constrained, serious tone to the relationship that can make it stifling and frustrating. Hilary Clinton has a strong tendency to criticize and judge Bill Clinton's actions, sometimes accurately and sometimes unjustly. Hilary Clinton should guard against this tendency to dampen Bill Clinton's enthusiasm, and Bill Clinton needs to avoid being overly sensitive to Hilary Clinton's suggestions and criticisms. Hilary Clinton's tendency to dominate, control, or even repress Bill Clinton makes Bill Clinton feel resentful at times, and Bill Clinton may feel lowered vitality and self-confidence after being with Hilary Clinton for a long time. You must make room for lightness and play, or you both will feel burdened by the tone that is set between you.

Bill Clinton's Sun Sextile Hilary Clinton's Uranus:

Playfulness and a zest for newness infuse your relationship. You really spark each other's imagination and creativity. This quality is especially welcome in a long-term relationship because you will not fall into a lifeless routine. You spur each other to explore, take risks, and develop new creative outlets. You encourage each other's independence and you have faith in one another's creative, inventive ideas and interests.

Hilary Clinton's Sun Sextile Bill Clinton's Moon:

You two are the best of friends! You understand and appreciate each other, and are able to work together very harmoniously. No relationship is free of difficulty and stress, and this astrological influence does not nullify other stressful influences described elsewhere in this report, but it does add a harmonious quality to your relationship that helps you over the rough spots.

Hilary Clinton's Moon Opposition Bill Clinton's Jupiter:

You enjoy joking with each other and simply having a good time together. You cheer and encourage one another, and have a knack for snapping each other out of a bad mood. Many times the mood is so light and carefree that you may find it difficult to be more serious with each other. Play, humor, socializing, or partying are likely to be important elements of your relationship.

Bill Clinton's Mercury Square Hilary Clinton's Jupiter:

This relationship has a marked effect on the overall attitudes and beliefs of both of you, but particularly of Bill Clinton. You challenge each other's religious, political, and philosophical beliefs. You may experience differences of opinion that are difficult to reconcile. You are also inclined to take risks together and speculate, sometimes foolishly.

Hilary Clinton's Mercury Trine Bill Clinton's Saturn:

You work together well on practical problems. You help each other refine and clarify your ideas, and help "edit" each other's work. Consequently you make a very effective team in business affairs and important or exacting work.

Bill Clinton's Venus Trine Hilary Clinton's Venus:

There is a beautiful flow of love between the two of you, and you are able to both give and receive affection, appreciation, and tenderness in this relationship. You enjoy the same pleasures and find it easy and natural to do those things that really please and make your friend happy. Your tastes in aesthetics is also very compatible.

Hilary Clinton's Venus Trine Bill Clinton's Saturn:

There is a great deal of mutual trustworthiness, reliability, and responsibility in this relationship that makes you both feel that you can count on each other. You willingly make sacrifices for each other, and a deep friendship between you develops over time. You will assist each other a great deal over the years.

Hilary Clinton's Mars Conjunction Bill Clinton's Pluto:

You draw out of each other your deepest drives and desires. The two of you arouse a zeal and sense of mission in each other that makes it possible for you to jointly accomplish extraordinary tasks. However, your fears and anxieties are brought to the surface too, and there is no guarantee that your zealousness will produce positive, constructive results. You may become fanatical in an extreme and unbalanced manner. Also, jealousy and competition can be very volatile, disruptive, obsessive, and intense in this relationship.
