INTRODUCTION

There are friendships and there are FRIENDSHIPS, partnerships (whether business or personal) and PARTNERSHIPS. HEAVEN SENT can help you understand ALL your interpersonal relationships, whether business or pleasure, gay or straight, romantic or platonic, by describing the details of your interactions.

To best understand your relationship with anyone, it is suggested that you first get their (and your own) natal chart interpreted. This tells you what makes them (and you) tick. Then, the comparison tells you what you each trigger in the other.

HEAVEN SENT is divided into two sections--the first deals with planets in houses, that is, which of your natal houses are triggered by his/her planets and vice versa. The second section deals with planets in aspect, or how your planets relate to each other. A true comparison involves a blending of everything said in both sections. This is important since there are often seemingly contradictory statements made, such as, "You are dear friends," and, "You compete with each other." Both would be true. They would simply manifest at different times.

There are two things HEAVEN SENT can do for you:

1. Give you information you did not already know and,
2. Validate what you've known all along. (Yes, you were right!)

Your birth chart interpretation is based on the positions of the planets at the time of your birth. For the benefit of students of astrology, these positions, along with other technical information, are listed below:

Yoko's Sun Opposition John's Venus:

You each want to see yourselves as loving and you want to be loved. You look to one another for that message. Because it can be difficult to express your love and affections for each other in a direct way, you may do so by giving gifts, praise and compliments. This elicits a positive response and helps you feel loved and wanted.

You trigger each other's individuality, inventiveness and desire for freedom. You can become self-willed and rebellious if you feel that the other is restricting you in any way.

Yoko's Sun Square John's Uranus:

You trigger each other's rebellion and self-will. Sparks fly the minute either of you feels restricted. You bring out the unexpected and eccentric in the other. This is not a boring relationship.

John's Sun Square Yoko's Pluto:

There is a strong power play between the two of you. You each want to be in control and are threatened by the fear of losing the game, for it is an all-or-nothing, winner-take-all game. You do not trust the other and are always looking for the other's weak spots, at the same time you are protecting yourselves from attack.

Yoko's Moon Square John's Venus:

You trigger unresolved feelings of being unloved in each other and may need proof of being loved. This can result in much gift-giving and expressions of love which, nevertheless, may not fill the need.

John's Moon Conjunct Yoko's Saturn:

You feel a sense of responsibility for each other but can feel held down and restricted by the relationship. You are serious, possibly moody when you are together.
