This Friends Report is divided into 4 chapters.

Chapter 1 describes your temperaments and personalities. The issues described in Chapter 1 become particularly powerful if you have a close or long-lasting relationship. Idiosyncrasies or quirks in another person's personality do not bother us as much if our relationship is a casual one. For example, if one person is neat and tidy and the other is sloppy, this is more likely to become a concern if you depend on each other in a business partnership than if you are casual acquaintances.

Pay close attention to the issues described in Chapter 2 because these are the most important themes in your relationship. For example, if themes of open communication and friendliness are emphasized, then you can count on this relationship growing into a close, long-lasting friendship. However, if friendliness and harmony between you are hardly mentioned at all, your relationship will be a more formal, less personal one and you probably won't think of one another as close friends. Note also that the material in Chapter 2 is presented roughly in order of importance, so that the material presented at the beginning of Chapter 2 is the most powerful.

Chapter 4 describes issues in your relationship of less importance than those presented in Chapter 2. Chapter 3 describes situations and circumstances that arise over time if your relationship is a long-lasting one.

If a statement appears to contradict another statement, then your roles are likely to alternate. For example, a statement that Elizabeth is more aggressive than Michael, and another statement stating that Michael is more aggressive than Elizabeth, means that you alternate roles, with Elizabeth sometimes being the leader and Michael being the follower, and sometimes just the opposite. Also, read the statements carefully, as it is likely that a careful reading will reveal different kinds of aggressiveness or areas in which the aggressiveness is likely to express itself.

To make the most of this report, combine this astrological analysis with other things that you know about each other. For example, if your relationship is strictly business-related and close, personal friendship is unimportant to both of you, then it will not concern you if there is little warmth in the relationship. However, a lack of warmth and sympathy, or a tendency to be critical and judgmental of one another, is a more serious problem in a parent-child relationship. You may also want to order a Natal Report for each of you. The Natal Report describes your individual traits. The material in Chapters 2, 3 and 4 of this report describes the dynamics of your relationship, but does not describe your individual natures.

Your birth chart interpretation is based on the positions of the planets at the time of your birth. For the benefit of students of astrology, these positions, along with other technical information, are listed below:

## Chapter 1

### A Comparison of Temperaments and Life Styles

that Affect Your Ability to Harmonize with Each Other

Elizabeth's Sun in Pisces and Michael's Sun in Virgo:

You are opposites in many ways, and yet you can be complementary. Michael is discriminating, precise, analytical, critical, and something of a perfectionist. Order, exactitude, and attention to details are important to Michael. Elizabeth, on the other hand, is more concerned with the overall feeling and can be quite lax, disorganized, and downright sloppy, compared to Michael. Elizabeth is also much less judgmental and difficult to please than Michael is. Elizabeth's accepting attitude can be very comforting to Michael, who tends to be too hard and self-critical. But Elizabeth's inability to set limits, stick to diets, budgets, or abide by rules in general may irritate Michael, especially if you two work closely together or live together. Both of you have a gentle and basically humble nature and you both need a lot of sympathetic understanding from friends. You can be excellent friends. Michael's clear factual reasoning ability balances Elizabeth's emotionalism, and Elizabeth's emotional sensitivity and compassion balance Michael's tendency to be too analytical.

Elizabeth's Moon in Scorpio and Michael's Moon in Pisces:

You are both very intuitive and psychically receptive, and you sense what is going on inside others even when they try to hide it. You have a very sympathetic rapport with one another, and you may get so enmeshed with each other that it is hard for you to tell whether you are feeling your own emotions and responses, or those of your friend.

Both of you are very, very sensitive, but the difference between you is this: Elizabeth will hold onto hurt feelings and may harbor unexpressed resentments, jealousies, secret fears, and guilt for a long, long time. Michael, on the other hand, is much more forgiving, tolerant, and ready to make excuses for the offender. Elizabeth is more of a fighter and wants to retaliate when injured; Michael is basically a peace-loving pacifist who would rather not create more conflict.

Though you both feel very deeply, you may not be very articulate about your feelings and inner experiences. You share an affinity for music. Living near water would be beneficial for both of you.

Both of you have Moon in hard aspect to Venus:

Both of you crave tenderness, caring, nurturing, and loving support in your lives very much. You may devote a lot of energy and time to your mate or children or beloved friends, in order to satisfy this "sweet tooth" of yours. When you aren't emotionally fulfilled, you are both apt to turn to food, especially sweets or "comfort foods" to fill the need. At your finest, you can both be very loving and giving. But at your worst, you can be very infantile and spoiled, wanting only to be pampered and taken care of.

One of you may be the petted, doted-upon "baby" in this relationship, the other the good "mommy". No doubt a lot of mothering will take place between you. Ideally, however, you can take turns caring for and allowing each other to be cared for.

Both of you have Venus conjunct or in hard aspect to Uranus:

Both of you tend to form relationships that are on-again/off-again, changeable, unpredictable, unusual, or unconventional. Each of you tends to feel stifled or trapped by the closeness and demands of any ongoing, tight, committed relationship, and you're both more comfortable with friendship, which is less apt to be confining, less fraught with expectations and dependencies. Personal independence, autonomy, and "space" are things both of you require much of. As friends, you certainly can allow one another the freedom each of you so appreciates. You share some of one another's more offbeat and unusual tastes and inclinations. You can also be there for one another through the frequent ups and downs of your other, romantic relationships.

## Chapter 2

### Major Themes in the Relationship: What Brought You Together

Michael's Sun Conjunct Elizabeth's Neptune:

You trigger one another's imagination and idealism. When it comes to practical matters and tangible, practical accomplishments, the two of you fail to coordinate effectively. Many times you fail to really understand each other, and it takes a long time for you to overcome superficial, stereotyped perceptions of each other.

Elizabeth's Sun Opposition Michael's Sun:

Although the two of you have many basic differences in your personalities, you are, nevertheless, compatible and able to complement each other.

Michael's Sun Opposition Elizabeth's Mercury:

Lively exchanges of ideas are common between the two of you. Fortunately, you understand each other well, but unfortunately you sometimes have opposite opinions and perspectives on an issue. Despite your differences, you work together very well in practical matters, planning, organizing, developing or communicating ideas, and your differing viewpoints are not likely to be a serious problem.

Michael's Venus Conjunct Elizabeth's Jupiter:

You enjoy each other's company immensely and you put each other in a happy mood. You make each other laugh and you feel very open, loose, and jovial around each other. There is a great deal of generosity between you, and you may benefit one another financially and materially as well as emotionally. A wonderful friendship!

Elizabeth's Mars Opposition Michael's Pluto:

There is a dynamism and energy in this relationship that can spur the two of you to work hard together towards a shared goal, but at times you are also likely to feel like adversaries. You can end up in bitter power struggles with each other, and feel like your friend is trying to manipulate you. To prevent these problems, you must be able to accept differences of opinion and differing goals and ambitions. Michael, especially, must avoid dominating or undermining Elizabeth's efforts. You can drive one another to extremes.

Michael's Asc. Sextile Elizabeth's Venus:

The pleasant and happy companionship and affection that you share with one another makes this friendship a particularly felicitous one. You make one another feel lighter and more sociable. Common artistic interests, recreational pleasures, or social activities are a bond between you.

Michael's Asc. Sextile Elizabeth's Uranus:

Elizabeth is likely to introduce Michael to people, experiences, and ideas that are new, stimulating and possibly upsetting or challenging to Michael's sense of order. Both of you are more excitable when you are together.

Elizabeth's Moon Square Michael's Venus:

There is much warmth and kindness in this relationship and you are supportive and helpful to each other. However, many times the expression of your affection or high regard for each other is frustrated by your differing tastes and values. A classic example of this problem is one of you buying a birthday present for the other but unfortunately the present does not suit the taste and preferences of the one receiving it.

Elizabeth's Moon Square Michael's Uranus:

The two of you can be eccentric and zany together. You snap each other out of your usual habits and you act spontaneously and creatively. Many times it is difficult for the two of you to focus on practical, mundane affairs together - you would rather spend your time together doing something more exciting and original. This relationship follows an unpredictable course and you are likely to come together and then drift apart frequently and unexpectedly.

Elizabeth's Moon Trine Michael's Moon:

Your moods, feelings, overall disposition, and personal tastes are very compatible and harmonious. There is a natural sympathy and appreciation that you share.

Elizabeth's Venus Trine Michael's Venus:

There is a beautiful flow of love between the two of you, and you are able to both give and receive affection, appreciation, and tenderness in this relationship. You enjoy the same pleasures and find it easy and natural to do those things that really please and make your friend happy. Your tastes in aesthetics is also very compatible.

Elizabeth's Venus Trine Michael's Saturn:

There is a great deal of mutual trustworthiness, reliability, and responsibility in this relationship that makes you both feel that you can count on each other. You willingly make sacrifices for each other, and a deep friendship between you develops over time. You will assist each other a great deal over the years.

Michael's Venus Trine Elizabeth's Uranus:

This is a lively, enthusiastic, exciting relationship. You feel very uninhibited with each other and are able to express yourselves freely with each other. If you both enjoy dancing, music, or similar sports, then you have found an excellent partner for these activities!

Elizabeth's Mars Trine Michael's Jupiter:

The two of you form an effective, dynamic team in any venture or endeavor. You work together very well in accomplishing daily tasks, and it is likely that you will also successfully coordinate efforts on joint efforts as well. Michael provides the vision, the social contacts, and ideas, while Elizabeth provides energy, decisive will, and enthusiasm.

Elizabeth's Mars Trine Michael's Neptune:

You enjoy watching movies, reading novels, discussing music and the arts, and pursuing religious or metaphysical areas together. You work well together in any area that involves a strong imaginative element. The spiritual bond between you is strong, and as you spend time together, your ideals and your sense of purpose in life becomes more refined and intertwined.

### Chapter 3

#### Destiny and Final Outcome of Your Relationship

Composite Moon Quincunx Venus:

While there may be a lot of love and caring between you, there is some awkwardness in expressing it. This will be uncomfortable or frustrating at times, but you will want to learn to overcome it so that you can experience the comfort and understanding that are at the core of your friendship.

#### Composite Venus Conjunct Uranus:

Spontaneity, excitement, unpredictability, and "catching joy as it flies" are major themes in your friendship. You may share a love for the avant-garde in music and dance, or the arts in general. Freedom to experiment and also to change your normal ways of relating to others will be important in this relationship. Even the circumstances of your meeting may well have been totally unexpected and even rather disruptive to the order in your lives. There will always be an electric, fresh quality between you and you would be quite unwise to take anything for granted here. Expect only to be surprised!

#### Composite Mars Trine Pluto:

Whatever the two of you do together will be done wholeheartedly with great zeal and passion. You could develop a mutual obsession with some interest or activity, and pour all of your combined energies into it. What you can accomplish together is awesome. Together you may well have more ambition than either of you does singly.

#### Composite Sun Trine Neptune:

Unselfishness, tolerance, and forgiveness flow readily between you, and you may share spiritual aspirations and an inspiring idealism. You have high standards for your friendship and may expect yourselves or one another to be the Perfect Friend, all-giving and always impeccable in your dealings with each other. For the most part you both try to live up to these lofty images, and to not taint your relationship with selfish or mundane considerations.

The psychic tie is strong between you, too. You may experience an unusual ability to "read" one another, send messages to one another telepathically, and so on. Any interest you have in the metaphysical or imaginative arts will be highlighted, and become an important focus in your relationship.

#### Composite Moon Quincunx Uranus:

Coping with uncertainty and the unexpected is a theme. Everything may flow smoothly for a long time, and then suddenly the two of you are faced with unexpected transitions. Any endeavor that the two of you undertake together will evolve through various unusual transitions and you will succeed together only if you can adapt quickly to changing circumstances.

Both of you may also feel that you cannot depend on each other, because at times you find that it is difficult to maintain communication, and you tend to fall out of touch with each other periodically.

#### Composite Mercury Trine Neptune:

You will be strongly influenced by spiritual teachings, the joint pursuit of inner development, or a combined interest in imagery, poetry, art, and the imaginative life of the mind.

You will be unusually telepathic with one another, and will almost immediately be able to convey your thoughts to one another non-verbally.

Idealism and trying to view situations from a higher, more encompassing perspective are emphasized when you are together, and a spiritual understanding will be easy for the two of you to achieve.

You are destined to be involved with learning about the subtle, intangible forces in life, the effects of color, music, artistic images, subtle healing energies, or prayer. Teaching or otherwise disseminating these ideas may well be a function of your relationship.

Composite Mars Square Saturn:

In addition to whatever success this relationship holds, there will be considerable frustration as well. One or both of you feels that you cannot do what you want, or that you are constantly being checked, watched, and judged. Projects you undertake together may seem like a great strain, a constant battle, a grind, a struggle against overwhelming odds. A certain grimness and pessimism can permeate your interactions. However, all is not for naught, and the constant effort may eventually lead to an important accomplishment.

If you are expecting this friendship to be a casual, light happy acquaintance, then you are mistaken. This relationship can lead to success in a joint effort, but only after much hard work and effort.

Most importantly, refrain from being excessively critical of each other or cynical towards one another. Even a little joking can turn bitter quickly, and things said in jest between you can have a biting edge that was not originally intended. If you truly respect each other and give each other recognition for achievements and contributions, much of the negative potential described above can be avoided.

Composite Saturn Quincunx Pluto:

The two of you will face difficult major transitions in life together. A death in the family or other major loss, a divorce, or other major turning point in life will face one, or both, of you during your friendship. If you can assist one another during difficult times and unexpected setbacks, you will help one another to be stronger people and achieve a greater level of success and fulfillment.

Chapter 4

Other Themes in Your Relationship

Elizabeth's Sun in Michael's 10th house:

Elizabeth takes a keen interest in Michael's career and line of work. Elizabeth provides encouragement and support to Michael, but may become overly concerned

and meddlesome with Michael's affairs. Michael respects and may be unduly influenced by Elizabeth's opinions.

Michael's Sun in Elizabeth's 9th house:

Elizabeth takes a great interest in Michael's philosophical or religious outlook on life, and Michael often assumes the role of teacher or mentor towards Elizabeth.

Elizabeth's Moon in Michael's 6th house:

Elizabeth enjoys assisting Michael in any way possible, and is willing to perform tasks and chores for Michael with little complaint. Elizabeth may, however, at times be overly concerned with Michael's welfare, and worry unnecessarily about Michael's well-being and health.

Michael's Moon in Elizabeth's 3rd house:

There is a natural smoothness and ease with which Michael can express ideas and concern to Elizabeth, which fosters a warm friendship between you.

Elizabeth's Mercury in Michael's 10th house:

Elizabeth takes a great interest in Michael's career and ambitions, and has lots of ideas on how Michael can reach goals and aspirations. The two of you enjoy planning together and sharing ideas, and there is a good chance that you will work together in some kind of business together.

Michael's Mercury in Elizabeth's 8th house:

Your conversations are rarely superficial, and the intensity and depth of your conversations may have been an important factor in drawing the two of you into a relationship. You are also likely to develop joint business ventures or financial strategies.

Elizabeth's Venus in Michael's 11th house:

You enjoy many of the same activities, and you cooperate well in organizations, groups, and social activities. You enjoy each other's company and there is a light-hearted, easygoing mood that develops when you get together.

Michael's Venus in Elizabeth's 8th house:

Michael is fascinating and almost mysterious to Elizabeth. A deep, but emotionally complex relationship can easily develop.

Elizabeth's Mars in Michael's 10th house:

Elizabeth aggressively promotes Michael's career goals and ambitions, becoming one of Michael's greatest "fans" and supporters. Elizabeth may, however, become too pushy, demanding, and critical of Michael. Elizabeth can become impatient with

Michael, and turn 180 degrees, becoming Michael's greatest critic instead of supporter.

Michael's Mars in Elizabeth's 5th house:

The two of you make a great match for games, especially outdoor sports. Michael also encourages Elizabeth to develop creative talents, and you may become involved together in creative projects.

Elizabeth's Jupiter in Michael's 3rd house:

Elizabeth loves talking with Michael, and, in fact, is prone to gossip a good deal with Michael. Communication is open and uninhibited between you and you find that you are able to discuss a wide variety of topics openly and freely with each other. Your conversations tend to go off in many directions with lots of digressions, and it is sometimes difficult for the two of you to stay focused on a single topic.

Michael's Jupiter in Elizabeth's 10th house:

Circumstances develop so that Michael is able to assist Elizabeth in career and achieving long-term goals. Michael takes a great interest in Elizabeth's ambitions and is a great supporter and promoter of Elizabeth's talents. You can also be very successful in business activities together. Michael encourages Elizabeth to have more faith and confidence and to take risks in career matters.

Elizabeth's Saturn in Michael's 9th house:

Elizabeth causes Michael to question Michael's philosophical assumptions, political ideology, and religious beliefs. In fact, Elizabeth often relishes challenging Michael's views. If you have different beliefs, you will need to adapt to each other! Both of you will develop a more mature and realistic political, philosophical, and religious perspective through this relationship, although the learning process may not always be pleasant or easy. If either of you stubbornly clings to your own viewpoint and is unwilling to learn from the other, you will find that this creates a rift in your relationship.

Michael's Saturn in Elizabeth's 1st house:

Michael's more mature, responsible, reliable side comes out in this relationship. Michael becomes almost paternalistic toward Elizabeth, and Michael is inclined to offer lots of advice, sometimes being critical, judgmental, and interfering too much with Elizabeth's plans and goals. Michael's "helpful criticism" sometimes sours into moralistic judgments. Michael should be wary of the tendency to control Elizabeth and severely limit Elizabeth's freedom.

Elizabeth's Uranus in Michael's 11th house:

Together you become active participants in community, social action, and progressive ideas. Elizabeth encourages Michael to become involved in social and political issues, and you encourage each other to look beyond your personal lives and take an interest

in issues of broader scope that affect your community, country, or the world as a whole.

Michael's Uranus in Elizabeth's 8th house:

The way you jointly handle finances and investments is likely to take some unusual turns and the two of you may, for example, invest in some risky ventures. Any joint investments or pooling of your assets will bring surprises and possibly upsets, especially to Elizabeth.

Elizabeth's Neptune in Michael's 4th house:

Elizabeth may undermine Michael's sense of security and roots, in some subtle way. Michael becomes a bit more passive, receptive, and possibly gullible, when with Elizabeth.

Michael's Neptune in Elizabeth's 10th house:

Michael tends to have idealistic notions of what Elizabeth can achieve in a worldly sense, and consequently Michael is likely to encourage Elizabeth to pursue dreams without compromise. Elizabeth needs to be careful not to lose sight of the practical details that are needed to meet these goals.

Elizabeth's Pluto in Michael's 2nd house:

If your relationship is a long-term one, you will find that situations will develop where Elizabeth is called on to provide considerable assistance to Michael. This assistance is of a tangible kind, perhaps financial assistance or providing tools or resources that are important to Michael. The transaction, however, may not be smooth and many complex issues are likely to surround it. Elizabeth may change Michael's attitude toward wealth, possessions, and material security in some very fundamental way.

Michael's Pluto in Elizabeth's 8th house:

Michael may be a catalyst for profound changes in Elizabeth's view of life, death, relationships, and also money and the sharing of resources and assets. Confronting personal demons in these areas is likely through your friendship with one another.

Michael's Sun Opposition Elizabeth's Mars:

This is an active, energetic relationship and you can accomplish a great deal together. Be wary, however, of the tendency to butt heads when your combined dynamic energy makes you both feel impatient.

Elizabeth's Sun Trine Michael's Neptune:

The two of you have a strong intuitive understanding of each other, and you inspire each other's imagination, idealism, and aspirations. You help each other to become clearer about your ideals and religious inclinations, and together you develop a greater

sense of meaning and purpose in your lives. You help each other to look beyond the daily problems and issues of your personal lives and focus more on altruistic goals and broader issues.

Elizabeth's Asc. Square Michael's Sun:

You often unintentionally "rub each other the wrong way". Your personal tastes and interests are frequently different. If you try to convince each other that your life style, tastes, and interests are better than your friend's, then you will frustrate each other and fail to appreciate and really understand each other. You must accept the fact that the two of you are different people with your own unique qualities. Don't try to force each other to adopt your own tastes, hobbies, and interests, as it will only make matters worse.

Elizabeth's Asc. Trine Michael's Uranus:

Elizabeth's originality and creativity is sparked by Michael's enthusiasm, eccentricity or "crazy" side. You are both more impulsive when you are together, and more willing to take risks and appear foolish. At the least, this can be lots of fun; at best, it can be very freeing and liberating.

Michael's Asc. Sextile Elizabeth's Jupiter:

Elizabeth benefits, supports, or promotes Michael in some way, assisting educational or career goals, or some other aspiration that Michael has. Elizabeth also provides Michael with the extra impetus or enthusiasm needed when Michael is discouraged. You both help each other see the humorous side of life.

Michael's Moon Trine Elizabeth's Pluto:

The two of you will grow to be very close friends. You are able to really "feel" what the other is saying. For example, whether you are playing sports, watching a movie, or showing each other something you really like, you find that most often you can do it with an intensity and depth of feeling that you cannot express to most people.

Elizabeth's Mercury Trine Michael's Neptune:

You enjoy discussing any subject that has an imaginative or mystical quality - art, music, fiction, theater, or religion. You kindle each other's imagination and ideals. You work together well in the arts and in humanitarian areas. You have a strong intuitive and psychic rapport and often understand each other without need for words.

Michael's Mars Sextile Elizabeth's Pluto:

Bonding is strong and the two of you are able to work together effectively in achieving goals and objectives. If you share a similar hobby or profession, you can jointly develop creative works of high quality - a result of your combined dedication. As your relationship deepens, you will find that the two of you are able to assist each other immensely in achieving the goals and objectives that are most meaningful and important to you.

#### Elizabeth's Jupiter Conjunct Michael's Uranus:

The two of you will often get a little crazy or outrageous together, and have a great time doing it! You inspire one another to be spontaneous and to break out of restraints or inhibitions, which can be joyfully liberating or lead to foolish excesses and imprudent risk-taking. Your more adventurous, unconventional, or freedom-loving sides are sparked by one another and there is an element of unpredictability which makes your relationship feel alive. You'll experience many new discoveries and serendipitous happenings with one another.

#### Michael's Jupiter Square Elizabeth's Saturn:

Elizabeth often limits, burdens, or frustrates Michael without intending to or realizing it. There is a conflict here between Elizabeth's needs for security, stability, and order versus Michael's desire for freedom, mobility, and expansiveness. How much, and in what ways, you spend money is probably a particularly thorny issue for you if you are in business together or live together. Elizabeth is more careful and restrictive or disapproving of Michael's more relaxed, extravagant, or liberal approach.

Also, Elizabeth often seeks to control or dominate Michael, and Michael may even take a subordinate role in the relationship for a time, accepting Elizabeth's "discipline". Over time, however, Michael may find Elizabeth's subtle (or not so subtle!) criticism or constraints to be devitalizing and draining. And Michael, on the other hand, can make Elizabeth feel like a perpetual wet blanket or miser.

Working together or going into business as equal partners is unlikely to work out well for you. It's best if you can respect one another's differing approaches and not seek to impose your own values or styles on one another.

#### Elizabeth's Saturn Square Michael's Neptune:

Serious confusion and misunderstandings arise in your relationship, which both of you contribute to in different ways. There are conflicts over material versus spiritual values, practicality, common sense, and realism versus idealism or imagination, with Elizabeth being the down-to-earth, responsible hard-headed one and Michael being the sensitive, idealistic, dreamy partner. Michael seems frustratingly evasive, vague, or irresponsible to Elizabeth, and Elizabeth's criticism can cause Michael heavy self-doubt or a desire to protect and hide Michael's sensitivities. There can be much mutual deception. At best, Elizabeth confronts Michael with Michael's tendency to avoid or escape reality and Michael can open Elizabeth's mind to wider realities, emotional or intuitive truth (as opposed to "hard facts") and a more fluid approach to life.

#### Michael's Saturn Trine Elizabeth's Uranus:

Elizabeth loosens Michael up and prevents Michael from becoming too rigid and tight, encouraging Michael to make changes and take more leaps into the unknown. Michael has a steadying effect on Elizabeth and helps Elizabeth organize and direct

Elizabeth's energies into clear, definite channels, encouraging Elizabeth to be more reliable and constant.
