

Star Lovers

between Angelia & Brad

This report is designed exclusively for love relationships. The interpretation for Angelia and Brad uses a technique called 'Synastry' which is the branch of astrology dealing with relationships.

It should be pointed out that even the most unlikely love relationship can be made to work if both parties are prepared to put in the effort required. However, there are almost always some adjustments and compromises to be made in any relationship where there are two separate individuals with wills and personalities of their own.

Assessing a relationship between two people is a complex business. A good analogy to this type of astrological analysis is the way you view a statue. Looking at a statue from the front gives you an idea of what it looks like from a single dimension. It is only by walking around it and viewing it from various points that you begin to see it as a multi-dimensional creation, and start to understand more about its total composition. And so it is with the astrological assessment of a partnership.

This relationship compatibility report looks at how Angelia perceives and experiences Brad, examining the strengths and weaknesses of the relationship, pinpointing potential hot spots.

Each connection is given a Star Rating from one to five to show their relative importance. To the right of each pair of symbols, denoting the connection, is a group of five stars the more dark stars there are the more important the connection. The keys for the planets and the other symbols and terms used are given at the back of the report.

Bond between you

Your will–power, the main areas within the relationship you focus on and your ability to compromise and co-operate with one another.

Angelia's Sun Opposition Brad's Sun

Clash of wills

While there is definitely a strong chemistry between Angelia and Brad, sooner or later it is likely to manifest as a clash of wills because they have very different perspectives on life, love and nearly everything else for that matter. There is much rivalry between them and it might become increasingly difficult to co-operate and compromise on anything together for long.

Angelia and Brad's essential temperaments are at odds and are therefore likely to clash. Difficulty in adjusting to each other's priorities could present problems and whoever has to play the underdog and make most of the compromises is likely to feel resentment.

Angelia's Sun Trine Brad's Saturn

Loyalty

Loyalty and stability make this a hard bond to break. There really is a lot of glue between Angelia and Brad and when they get together they have a sense that there is something serious about their relationship which has the potential to be a long-term commitment offering a good balance of confidence, optimism and ambition.

Agreement in handling difficulties and accepting duties and responsibilities helps lay the foundations for lasting security and stability.

Brad has a restraining influence on Angelia, which is to her advantage, since Brad offers constructive support to her. Angelia inspires confidence in Brad and alleviates any of his worries or fears. Brad gets inspiration from Angelia.

This combination is excellent for a long-term and committed relationship since it indicates much mutual loyalty and stability. Brad will benefit more from the relationship since Angelia will be the one willing to make most of the compromises.

Confusion

Brad is somehow elusive or unfathomable to Angelia, he is not always what he appears to be and, as a result, misunderstandings can easily creep into Angelia and Brad's relationship. Brad can also be elusive, unreliable and even dishonest. Brad may appear submissive but in fact uses subtle means to control or undermine Angelia.

Difficulties are likely to be exacerbated if either Angelia or Brad start to put the needs of the relationship before their own because that could result in them losing their direction. They could become increasingly confused about what was important and what was not.

Misunderstandings, doubts, confusion and distrust will eventually undermine Angelia and Brad's relationship unless other, more positive aspects of the relationship, exert a strong, protective influence. Angelia can feel spiritually and emotionally undermined by Brad, while he may increasingly feel Angelia takes his for granted.

Angelia's Sun Square Brad's Pluto

Draining

Brad can force powerful changes upon Angelia, especially in the more intimate areas of their relationship. However, conflict is likely to arise sooner or later since the differences between Angelia and Brad may just be too great for either party to be able to reach a workable compromise.

Inability to bridge the gap between their differences may bring out Angelia's more dogmatic side, while Brad may become obsessive and possessive under stress. Brad's compulsiveness, intensity, secrecy and aloofness may be a further source of conflict. Friction occurs when Brad tries to change Angelia while being resistant to change themselves.

This can be a powerful relationship, with Angelia and Brad having the ability to urge each other on to greater heights but unless they can both learn to exercise greater self-control the relationship could deteriorate into a series of energy draining power struggles in which each tries to force their agenda upon the other. Sex is also likely to be a source of conflict.

Emotional attachment

Your ability to understand your partner, to get the message and the little things right, including your immediate emotional reaction to life's pleasures and problems you share.

Angelia's Moon Quincunx Brad's Mercury

Mix-up

Angelia can be hypersensitive to Brad and at times may even misconstrue his motivations or interests. Misunderstandings may occur since Angelia may not always be able to relate to Brad's perspective or point of view - or may just not agree with them. Brad can become critical and impatient with Angelia's lack of clarity and common sense.

A 'head' versus 'heart' conflict may ensue. Since Angelia is so sensitive to Brad, his insensitivity or tactlessness can easily upset her. Brad fails to appreciate Angelia's moods and feelings, whilst Angelia fails to appreciate the logic behind some of Brad's ideas.

A simple lack of understanding rather than any mutual animosity may be the real factor that threatens to undermine Angelia and Brad's relationship.

Angelia's Moon Trine Brad's Saturn

Mutual respect

There is a lot of glue between Angelia and Brad, the kind of glue that keeps people together and aids in establishing the stability and security necessary for a serious, long-term relationship. Brad can have a calming influence on Angelia, who in turn, can open Brad to a world of possibilities he may not have discovered alone.

Brad can help steady and calm Angelia's emotions. There is much mutual respect that has a steadying affect on the relationship thereby enhancing the potential for serious commitment and enabling Angelia and Brad to come to the agreement and understanding necessary to make a relationship work.

Angelia feels she can depend on Brad and vice-versa. Brad finds Angelia's care and concern very supportive. They are able to manage the practicalities of life together well and Angelia is able to give Brad understanding and sympathy.

Angelia's Moon Square Brad's Uranus

The chemistry between Angelia and Brad was apparent from the start and the sparks really fly when they get together. However, sooner or later some serious differences are likely to surface bringing irritations and conflict to the fore. Angelia and Brad are likely to have an emotionally volatile relationship.

Brad's increasing fickleness and unreliability in Angelia's eyes can be irritating to her. Brad can upset Angelia emotionally, whilst she will become increasingly sensitive to his eccentricities. Brad can be inconsiderate, apparently disregarding Angelia's feelings, needs and views.

If Angelia and Brad do team up together, although there is a strong chemistry between them, inevitably the relationship will be disruptive in some way. It may even be so unconventional and indiscreet that it ends up causing trouble for one or both parties. Although eventful and exciting Angelia and Brad are likely to suffer from many upsets and separations with the ensuing instability and insecurity.

Angelia's Moon Quincunx Brad's Neptune

At their worst Angelia and Brad can bring out the most unpleasant side of each other, indulging in immoral and anti-social conduct. Brad may have a subtle but corrupting influence on Angelia, while Angelia may encourage Brad's lack of responsibility and any latent dishonest or delinquent tendencies.

Angelia's Moon Square Brad's Pluto

Upsetting

Angelia and Brad feel a strong connection, as if a powerful force was drawing them together, arousing deep feelings. Nevertheless, Brad can have a disconcerting influence on Angelia, arousing her fears and anxieties.

In time Brad can be jealous and possessive of Angelia and may even try to dominate her, resorting to subtle forms of manipulation or emotional blackmail. Brad's influence on Angelia may be emotionally upsetting. Domestic disharmony may arise because of sexual problems between Angelia and Brad.

Mutual understanding

Angelia's Mercury Trine Brad's Saturn

Commitment

This characteristic of Angelia and Brad's relationship augurs well for them since it represents one of the key foundations of a serious and committed union. Brad has a steady and calming influence on Angelia, offering practical suggestions rather than criticisms her many plans and schemes. Angelia can appreciate the knowledge and experience of Brad, while Angelia can inspire Brad and give him new ideas.

This aspect of Angelia and Brad's relationship is a particularly productive characteristic when found in a business relationship. Brad's effect on Angelia is stronger than Angelia's on Brad and Angelia can learn much from Brad's wisdom and experience. Angelia can encourage Brad to come out of their shell and see more of what life has to offer.

Angelia's Mercury Square Brad's Pluto

Power struggles

Although there is a strong force that seems to compel Angelia and Brad to get together and air their opinions and differences, things can easily get out of hand. Brad can have a controlling, even manipulative, effect on Angelia who may find Brad too intense and demanding, feeling that he controls and dominates discussions all the time.

Resentments are likely to fester especially if Brad considers Angelia too lightweight or superficial. Differences of opinion could lead to power struggles between Angelia and Brad.

Sexual attraction

How well you stimulate and encourage each other, the level of physical co-operation and contentment you can achieve together.

Angelia's Mars Square Brad's Mars

Formidable

The sparks really fly when Angelia and Brad get together. They make a very dynamic combination but their relationship could soon degenerate into a battle of wills, (open or subtle), as impatience, irritation and rivalry begin to surface. Since both Angelia and Brad will want to take the initiative, putting their own needs and demands first, it will be difficult for them to avoid interfering with or obstructing each other.

Quarrels are inevitable when personal differences are not accommodated, increasing the friction and hostility between Angelia and Brad which could spill over into the bedroom leading to sexual problems as they both attempt to assert their needs and desires but in different, and even conflicting ways.

This relationship could bring out the worst in Angelia and Brad, unless they can exercise a considerable amount of self-control and foresight. If they could join forces rather than competing with each other they could make a formidable pair. However, working closely together for long on anything could prove difficult (if not impossible) since tension is never far from the surface and the one who plays second fiddle may find it difficult to contain their resentment and frustration.

Angelia's Mars Conjunction Brad's Jupiter

Dynamic

This is a very harmonious and dynamic relationship with Angelia and Brad stimulating each other's aspirations and ambitions and complementing one another particularly well. They stimulate mutual helpfulness in achieving prosperity, although extravagance and a desire to take risks may occasionally endanger what they have, but this is an inevitable feature of what happens when these two get together.

Nevertheless their mutual support and encouragement promotes optimism and, in a way, they make their own luck. Together they have a strong desire for freedom and new experiences and while they may share big plans, they also have the potential to put them into action. As long as their ideas are not too unrealistic and they don't overextend themselves physically or financially, Angelia and Brad can accomplish a great deal together.

Angelia's Mars Quincunx Brad's Pluto

Explosive

There is a powerful, almost primitive force that seems to draw Angelia and Brad together. Their relationship can be very volatile and it may be difficult for them to work together for long without there being serious risks of conflict and power struggles. As suppressed tensions begin to surface a conflict of wills may make progress impossible and neither will want to be seen to give way or lose face.

Whoever does have to stand aside is likely to suffer from resentment, which may surface in an explosive manner. Any show of authority or bossiness on the part of one is likely to be met with swift and uncompromising resistance on the part of the other. Sex, which may be a roller coaster of an adventure at first, may turn into a battlefield. Sexual perverseness on the part of Brad may even be disconcerting to Angelia.

Mutual encouragement

Your ability to encourage one another, to provide mutual help and support, the way you share your beliefs, interests and aspirations.

Angelia's Jupiter Sextile Brad's Saturn

Angelia can raise the spirits and expectations of Brad enabling his to overcome some of his fears and anxieties. Brad can help Angelia to focus by giving much valuable, practical and realistic advice thus enabling her to make her dreams come true. Angelia and Brad can be very good for each other personally, or if they are involved in business together, their association could prove to be profitable.

♃ ⚹ ♆ ★★☆☆☆

Angelia's Jupiter Quincunx Brad's Neptune

Misunderstandings

If either Angelia or Brad is prone to indulge in dissolute habits, wanton, lustful or sensual pleasures, then together they may well exacerbate these tendencies in each other. Over time this may have a thoroughly unsettling and corrupting influence upon Angelia and/or Brad which could easily get them into difficult situations.

Brad can adversely affect Angelia's self-confidence, good intentions and optimism. Angelia will find Brad elusive, vague and sometimes even dishonest. Eventually, disagreement and misunderstandings over metaphysical or moral matters could spoil the relationship. Unless other mitigating factors in your being together apply, this relationship may be undermined by mutual distrust, delusion and even deception.

Shared responsibilities

Your ability to build strong bonds, mutual understanding and willingness to co-operate with one another to overcome problems.

♄ ⚹ ♄ ★★☆☆☆

Angelia's Saturn Quincunx Brad's Saturn

Instability

There is a strong bond between Angelia and Brad but they can have a habit of getting in each other's way. Unless they can find some way of working together despite their differences then they may just exacerbate each other's fears and anxieties and undermine one another's self-confidence.

At its worst their relationship could degenerate into mutual distrust and stubborn conflict. Angelia and Brad have different views about handling responsibility as well as financial and security matters. They can discourage and frustrate each other and generally have a negative effect on one another.

Distrust can cause serious problems of adjustment with too many responsibilities and burdens undermining their chances of mutual success as well as financial stability and security.
